Foreword

Our class Motto, "Joyously, we too, launch out into the trackless realms of space," describes us, the Senior Class of '59, as we leave Griggs High School. The joy is accompanied by sadness as we leave the fun and the struggle, the thrills and the heartaches, the laughter and tears, to launch our lives into the trackless realms of our future. In years to come, we hope that this, the 1959 WHISPERING POPLARS, will bring us back to earth in the priceless memories of our school days at Dear Old Griggs High.

Dedication

We dedicate the 1959 WHISPERING POPLARS

to

MRS. RAMONA WILSON

and

OUR PARENTS

To Mrs. Ramona Wilson, in attempt to express the deep gratitude for her patient understanding of our problems, her friendly advice, her cooperation and willingness to serve, and above all, her faith in us.

To our parents, as a small token of our great love. With deep humiliation, we realize that we can never repay them for all the love, guidance, devotion, and untiring faithfulness, which they have so graciously bestowed upon us.
